

# **A BAPTIST MOUNTAIN AND A PENTECOSTAL PEW**

Writer: Kevin Spencer, Kevin Spencer Publishing BMI

Key: C

Time: 2:47

## ***Verse 1***

My Daddy was raised on a Baptist mountain  
While my Momma took a Pentecostal pew  
Tho they didn't know each other, both in Sunday school were learnin'  
That Jesus was the thing to do. Then several years later,  
When they got married, said, "What are we gonna do?"  
But the Spirit soon showed denomination didn't matter  
Both were part of the chosen few

## ***Chorus:***

We need to get together dear brothers and sisters  
And look for our common ground  
I wonder what would happen if we really loved each other  
How many more sinners would be found  
If we were all on a island and needin' one another  
I wonder what we would all do  
I say we'd all work together and look toward forever  
we're part of the chosen few

## ***Verse 2***

I wonder what the sinner thinks when he hears us  
Talk about church family  
Downgrading our members like there is no other  
Thing for us Christians to do  
So let's all get together in this soul savin' weather  
And do what we came to do  
We'll see our sons and daughters  
Meet our heavenly Father  
Tell me what else can I say to you

## ***Chorus***

## ***Repeat Chorus***
