Time: 2:56 Intro: 0.14 sec.

## ***Verse 1:***

There's a city that looks o'er the valley of death  
And its glory has never, never been told  
Where the Lamb is the light in the midst of the night  
In that beautiful city of gold

## ***Chorus:***

Where the sun never sets  
And the leaves never fade  
And the righteous forever will shine like the stars  
In that beautiful city of gold

## ***Verse 2:***

There will be no more sorrow, sickness or death  
And the saints, they will never, never grow old  
Oh, how I long for that city where cometh no night  
In that beautiful city of gold

## ***Chorus***

## ***Turn Around:***
