Chorus

Coming soon, Jesus in all His glory
Not just a Savior, but a reigning King
Coming soon and the whole world will be witness
Oh, be ready for He is coming soon

Verse 1

Once He came to this old world of sin and sorrow
An humble babe in a manger in Bethlehem
But this time He's coming in all His power
Great kings of earth will bow and worship His great name

Chorus

Verse 2

And when He comes He'll bind the power of old Satan
Little children with the lamb and lion will play
And all the Earth will be so filled with His glory
No need for crying for all tears are wiped away

Chorus
