Verse 1

I've never made a fortune; I guess it's too late now
Oh but I don't worry about that none cause I'm happy anyhow
As I go along life's journey, I'm reaping better than I sow
I'm drinking from my saucer, cause my cup has overflowed

Verse 2

Ain't got a lot of riches, sometimes the goings rough
But I've got a friend in Jesus and that makes me rich enough
I thank God for all His blessings, and the mercy He's bestowed
I'm drinking from my saucer, cause my cup has overflowed

Verse 3

I've been through hard trials, sometimes my faith grew dim
But it seemed like one day the sun shone through again
So Lord help me not to grumble about the tough rows I have hoed
I'm drinking from my saucer, cause my cup has overflowed

Verse 4

And if I should go on living if the way gets steep and rough
I won't ask for other blessings cause I'm already blessed enough
May I never be too busy to help another bear his load
And I'll keep drinking from my saucer, Lord, cause my cup has overflowed
