Chorus

Flow through me, Holy Spirit, flow through me A useful vessel let me be Let me touch someone in need In Your precious holy name Flow through me, Holy Spirit, flow through me

Verse 1

As You walked down the shore of Galilee
Touching blinded eyes to make them see
As You made the lame to walk
And You caused the dumb to talk
Flow through me, Holy Spirit, flow through me

Chorus

Verse 2

As You moved in the upper room that day
As Your Spirit fell in such a mighty way
May we never be the same
As we call upon Your name
Flow through me, Holy Spirit, flow through me

Chorus
