Verse 1

Can you just imagine how Mary felt that day
She thought someone had come at night, stole her Lord away
Then she saw an angel heard the words he said
Why do you seek the living here among the dead

Verse 2

She ran away excited at the sight which she had seen
Then she met a Man who spoke words sweet and serene
As she rushed into the room where her friends would be
She shouted out I've seen our Lord and He spoke to me

Chorus

Go and tell them I have risen
Go and tell I am alive
Grave had no victory
Death could not sting me
Go and tell I am alive
Go and tell I am alive

Verse 3

Jesus Christ, the Son of God, redeemed His name that day
Although they placed Him in the tomb, He rolled the stone away
With His resurrection came the truth to every man
And His words down through the years still echo through the land

Chorus Twice
