

God Understands

Writer: Claude Ely

Key: D Time: 3:42

Verse 1

I walk with the Lord in sunshine and darkness
I cannot forsake His Holy word or His great command
Temptations are great, yet God's love is still greater
He knows all about me, yes God understands

Chorus

God understands, He knows all about it
He knows of our hopes and fears
He knows all our plans, He's willing to help
If we will but follow, God knows all about it
Yes, God understands

Verse 2

I know of His love, I know of its meaning
I know of His power He's given to man
Without faith in God our lives would be worthless
God knows all about me, yes God understands

Verse 3

When troubles appear and life has no meaning
Be washed and be cleansed in the Blood of the Lamb
Life will be brighter; there'll be no more sorrow
He knows all about me, yes God understands

Chorus

God understands, He knows all about it
He knows of our hopes and fears
He knows all our plans, He's willing to help
If we will but follow, God knows all about it
Yes, God understands

Chorus
