Chorus

Home and Christmas go together like peace and love
Everyone wants to go back home
Things that memories are made of
Hear the old folks sing like they did before
Hear the Christmas story told ore and ore
Home and Christmas go together like peace and love

Verse 1

I can't wait to get back home
It's Christmas season and it won't be long
Till I see the candles glowing in the windows
It's been so long since I've been there
What a special feeling in the air
Home and Christmas go together like peace and love

Chorus

Verse 2

It'll be so good to be home again
Spend some time with family and friends
Hear Daddy read the old, old Christmas story
Children's eyes all shiny and bright
While singing carols in the night
Home and Christmas go together like peace and love

Chorus
