

I Found The Lord

Writer: Ruth Vance Hall

Verse 1

Redemption through His blood is what I got from Calvary
He paid the price so I could live; He set the captive free
He paid the price for fallen man; all my sins are gone
I'll never ever turn back now, this victory just rolls

Verse 2

I searched and searched but couldn't find what I was searching for
The devil offered many things temptations they did soar
My heart began to tremble, tears began to flow
Old Satan thought he had me bound
But I have found the Lord

Chorus

I found the Lord when I called upon His name
I found the Lord and I'll never be the same
The sinner he may mock me but he just can't comprehend
My life is filled with joy, now home is just around the bend

Verse 3

I felt as if an angel lifted me upon his wing
I felt the power of God come through when I began to sing
This story doesn't have an end it just goes on and on
But the only thing that matters is that all my sins are gone

Chorus
