Chorus

I met God in the morning, when the day was at its best
And His presence rose like sunrise
And in His glory, my soul was blessed
All day long His presence lingered, All day long He stayed with me
And we sailed in perfect calmness, Over a very troubled sea

Verse 1

Other ships were blown and battered
Other ships were so distressed
But the winds that seemed to drive them
Brought to us a peace and rest

Chorus

Verse 2

Then I thought of other mornings
Of how He'd had His hand on me
That still small voice to me was speaking
Giving me a perfect peace

Bridge

So I think I know the secret
Learned from many a troubled way
You must seek God in the morning
If you want Him through the day

Chorus
