## *Verse 1*

Today I walked up Calvary's hill  
Retracing the steps my Savior trod  
And I thought of all the pain He bore  
And I'll never be the same anymore

## *Chorus*

I'll never be the same anymore  
My life's been changed  
I'll walk in sin no more  
I know I've never felt like this before  
And I'll never be the same anymore

## *Verse 2*

And now I can sing a song of praise  
Of Jesus who for our sins was slain  
And I cried just to think He took my pain  
And I'll never be the same anymore

## *Chorus*

## *Tag*

No, I'll never be the same anymore
