Verse 1

There go our children off to school
They're not being taught abstain from sin
Oh it breaks my heart to see good kid
So often go bad
Then there's our neighbors
We don't even know their name
But then we say we're not ashamed
I think it's time we start reaching out to them

Chorus

Let's pray down a burden
For our children out in sin
The time is drawing closer
Till Jesus comes again
Let's try to reach our families
Our loved ones and our friends
Let's pray down a burden
To see lost souls make it in

Verse 2

Folks used to pray through the night
Stayed on their knees till things were right
I still believe things can happen
As they did before
We need to start in our homes
Teaching our children right from wrong
If we will pray God will open up the door

Chorus
