Verse 1

When you finally make your entrance to that City
Of jasper walls and bright golden avenues
When you behold all its beauty and its splendor
Remember there's just one request I make of you

Chorus 1

Look for me, for I will be there too
I realize when you arrive there'll be so much to view
After you've been there ten thousand years, a million, maybe two
Look for me, for I will be there too

Verse 2

As you go down your list of firsts, there's no question
You'll want to see your loved ones waiting there for you
And when you feel you've shared your story with the last one
That wants to hear you tell just how you made it through

Chorus 2

Look for me; I'd like to hear it too
I realize when you arrive there'll be so much to view
After you've been there ten thousand years, a million, maybe two
Look for me, for I will be there too
