Verse 1

On the pages of my mind Lord I often find memories
Of days gone by and the tears I've cried from the hurt I've seen
Lord I know You can't erase every line and every trace of a used to be
And the marks will cease to show when they're placed beneath the flow of Calvary

Chorus

Lord, paint my mind with Calvary's blood
Wipe away the stains of yesterday's pain with Your brush of love
You colored the earth, the sky and the sea
Lord please do this one thing just for me
Paint my mind with Calvary's blood

Verse 2

Lord I'd just like to say that I'm grateful for each day that You give to me
For the sun that shines that makes the blackest night of darkness flee
Lord I know there are days when the picture starts to fade and there are times
That I need once again the touch of the Master's hand just to paint my mind

Chorus

So paint my mind with Calvary's blood
Wipe away the stains of yesterday's pain with your brush of love
You colored the earth, the sky and the sea
Lord please do this one thing just for me
Paint my mind with Calvary's blood
