Chorus

Saved by Grace

I've been saved by grace

My name is in the Book of Life

And my sins are washed away

Saved by grace

I've been saved by grace

It's not what I deserve

But I'm saved by grace

Verse 1

I was alone in the darkness

I could not find my way

Then Jesus shined a light on me

And He turned all my night to day

Chorus

Verse 2

When I reach that City

The gates swing open wide

I'm gonna sing redemption story

Of how He brought me from the other side

Repeat Verse 2

Chorus
