Verse 1

Some morning when all of God's children are waiting
He'll come from Glory to carry us home
And on the morning when all the sinners will be watching
We'll go to Glory and they'll be left alone

Chorus

On some dawning the morning's gonna find us
Shouting as we board that chariot home
"I'll Fly Away" is the song we'll be singing
Up through the clouds to our eternal home

Verse 2

In Heaven where all the saints will be singing
Glad hallelujahs forever will roll
We'll sing a new song throughout endless ages
Walkin' the streets that are paved with pure gold

Chorus Three Times

Up through the clouds to our eternal home
