Verse 1

I'm a pilgrim on life's weary road
Many times I'm toiled neath a heavy load
When the way is dark and I cannot see
I know my Lord is gonna stand by me

Chorus

Gonna stand by me
Gonna stand by me
I know my Lord's gonna stand by me
When the way is dark and I cannot see
I know my Lord is gonna stand by me

Verse 2

When I come to cross the Jordan wide
Gonna reach my home on the other side
When I pass from time to eternity
I know my Lord's gonna stand by me

Chorus Twice
