## *Verse 1*

In a stable in Bethlehem  
Was born the King of all man  
And to the shepherds, Heaven's Host proclaimed  
Peace to all men in Jesus' name

## *Chorus*

It's the greatest story ever told  
It can't be bought and it can't be sold  
It brings to light the darkest sin  
And sets us free to live again

## *Verse 2*

Standing by the water of Jordan's stream  
John said, "Behold the Lamb!"  
And from a cloud God's voice did speak  
This is My Son in whom I'm pleased

## *Verse 3*

Then on the cross of Calvary  
My Jesus gave His life for me  
He bled and died that I might live  
Oh the love He has to give

## *Verse 4*

Then at the tomb, the third day  
Mary found that stone rolled away  
Why seek ye the living among the dead  
For He has risen just like He said

## *Verse 5*

Then on the mountain after forty days  
Five hundred watched as he flew away  
Two men stood by in white array  
Said this same Jesus will come again someday

## *Chorus*
