Chorus

When all God's children get there
We're gonna have a good time
When all God's children get there
We're gonna have a good time
When all God's children get there
We're gonna have a good time
What a time, what a time, a mighty good time

Verse 1

We're coming up from every nation, won't be no separation
Coming up from the north and the south
We're on our way to the Father's house
Coming in from the east and the west
We're on our way to the land of rest
What a time, what a time, a mighty good time

Chorus

Verse 2

We're gonna walk on streets of gold in the homeland of the soul
We're going to view the host in white and praise the Lamb who is the light
Coming up from every nation on our way to the coronation
What a time, what a time, a mighty good time

Bridge

We're gonna see our dads and mothers
We're gonna have a good time
We're gonna meet our friends and loved ones
We're gonna have a good time
We're gonna walk and talk with Jesus
We're gonna have a good time
What a time, what a time, a mighty good time
