Verse 1

I can see the lights of glory
I can see the lights of home
There I see a beautiful mansion
Jesus has built just for me
I shall live there forever
Loved ones there now wait for me
What a time we'll have up yonder
Their smiling faces I will see

Chorus

And I can see the beauties of heaven
The river of life and a crystal sea
And the throne of God in the midst of that city
I long to be there through eternity

Verse 2

They say up there the walls are jasper
Gates of pearl on a hinge of gold
Jesus' blood has paid my title
And I've been made an heir of God
All the glory of that Kingdom
Now I know awaits for me
Some glad day I'll hear Him call me
And I shall leave this world below

Chorus

And I can see the beauties of heaven
The river of life and a crystal sea
And the throne of God in the midst of that city
I long to be there through eternity
