Verse 1

Many people are asking for directions to go
To a City that's up in the sky
But there's only one way, so my friend don't get lost
You will have to cross over the cross

Chorus

Yes, the cross of Calvary is the right way to go
Thru the blood, then we won't get lost
Just remember when you're traveling
Down the highway of life
You will have to cross over the cross

Verse 2

Lost sinner are you seeking a new way to go
Should you not, it would be your loss
It makes no difference if you're rich or you're poor
You will have to cross over the cross

Chorus Twice
