Chorus

Don't give up; keep headin for the Heavenly shore
Don't give up; when you knock He will open the door
Jesus made a way for you to go through
Praise Him and He'll give you life anew
Don't give up; Don't give up

Verse 1

Has your day started out with worry
Has trouble been on every hand
Jesus is the answer to your problem
Just trust His word; you can take your stand

Chorus

Verse 2

Give thanks to the Lord; start praising
There's promised blessing in store for you
You can climb up out of your valley; take that mountain
Your faith in God will always see you through
