Gonna run on home now I hear them calling me
I see the lights of that city
And when I get there I'll never have a care
Gonna run on home now they're waitin' for me there

Gotta keep my eyes on the narrow path
At times when I falter my Lord strengthens me
And I'm runnin on home now
Heavens waitin' for me

Chorus:

Verse 2

A great cloud of angels are cheering me on
They know I'm tired and can't make it alone
But at the end of this journey I'll be set free
And I'm runnin on home now
Heavens gates I see
