

Hem of His Garment

Writer: Glen Rice

Key: Db

Time: 3:42

Verse 1

A woman one day tried many physicians
But daily grew worse, in the Bible we're told
But when she had heard, she came to Jesus
And she found what she needed for her body and soul

Chorus

If I could just touch the hem of His garment
If I could just touch one part of His clothes
I know I'd be healed my sins all forgiven
If I could just touch Him I know I'd be whole

Verse 2

Blind Bartimaeus sat by the wayside begging
Nobody to help him down life's weary way
Then Jesus came by and He heard his sad crying
He reached out His hand and He healed him that day

Chorus

Verse 3

One day I sat by the wayside begging
Nobody to help me down life's weary way
Then Jesus came by and He heard my sad crying
He reached down His hand and He saved me that day

Chorus
