Verse 1

Sir, You have nothing to draw with
He heard the doubting woman say
So how can You reach this water
And quench my thirst today

Chorus

He said I am the water; I am the life
There's no need to search for another
All power in Heaven is mine
He said I am your maker
I am your only chance to survive
I am the water and I will never run dry

Verse 2

Many times I've lowered my vessel
Into an old dark well of sin
It always hits the dry, dusty bottom
Where He gently reminds me again

Chorus
