Verse 1

This house where I'm living, it's not much to look at
But I'm blessed and I call it mine
But soon I'll be leaving to go live with Jesus
You can have it if you're left behind
Cause I hold a clear title to a home that's far better
That will never flood or decay
If the rapture was yesterday would you still be here today

Chorus

If the rapture was yesterday would you still be here today
If the trumpet had sounded, by saints surrounded
Would you have been caught away
While there's still time to make up your mind
Let me invite you to pray
If that rapture was yesterday would you still be here today

Verse 2

Jesus said when He comes back two will be sleeping
One taken and one left behind
How people can go on who aren't rapture ready
Don't it just stagger your mind
Standing so close on the brink of forever
One step could lead either way
If the rapture was yesterday would you still be here today

Chorus

Bridge

If the rapture was yesterday we wouldn't be here today
If the trumpet had sounded, by saints surrounded
We would have been caught away
While there's still time for you to make up your mind
Let us invite you to pray
If the rapture was yesterday we wouldn't be here today
