

# **LET THE BLOOD SPEAK FOR ME**

Writers: Sandy Bloemer/ Tina Sadler, Cal IV Entertainment, Sunset Valley Music, BMI

Key: A / Bb

Time: 3:33

## ***Verse 1:***

I stood there in the courtroom  
Facing charges on my life  
My fate would be decided  
Would I live or would I die  
But Satan had forgotten I'd been to Calvary  
I did not say a word  
I let the blood speak for me

## ***Chorus 1:***

And the words rang out in the courtroom  
Not guilty not guilty  
This child is free  
Love echoed off the walls crying mercy  
My Savior intervened  
And let the blood speak for me

## ***Verse 2:***

The crimes that I'd committed  
Would justly take my life  
I waited for the verdict  
Condemned and sure to die  
But as they bound my hands and feet  
And were taking me away  
The judge said wait a minute  
Let's hear what the blood has to say

## ***Chorus***

## ***Repeat Chorus***

## ***Tag***

Love echoed off the walls crying mercy  
My Savior intervened  
He let the blood speak for me
