Chorus

Let's meet by the River over on that beautiful shore
Let's meet by the River where loved ones dwell
Who've gone on before
If you leave here first just wait by the River
If I leave you here that's where you'll find me
Let's meet by the River over on that beautiful shore

Verse 1

I've read of the City John saw coming down from God out of Heaven
The walls are of jasper, the gates are of pearl and streets of pure gold
He tells of a pure River of Life that flows from the throne
And when we have reached that beautiful place
We'll know as we're known

Chorus

Verse 2

If you leave me standing here on this earth just wait by the River
It's such a good place for us to meet over there
And after I find you let's go see Jesus
Then let's go find our Dad and Mother
Let's meet by the River over on that beautiful shore

Chorus
