Verse 1

I've been climbing a mountain
A great high mountain
The pathway grows weary sometimes
But if I keep on climbing
To the top of this mountain
There's gonna be victory on the other side

Chorus

There's gonna be victory on the other side, hallelujah
Gonna be victory over on the other side
When I'm walking in the valley
My footsteps I know He'll guide
There's gonna be victory on the other side

Verse 2

Now I'm walking through that valley
Of dark desperation
And my heart is all broken inside
But the battle, it's nearly over
Soon my heart will be so glad
I know there's victory on the other side

Chorus
