Chorus

Flow through me, Holy Spirit, flow through me
A useful vessel let me be
Let me touch someone in need
In Your precious holy name
Flow through me, Holy Spirit, flow through me

Verse 1

As You walked down the shore of Galilee
Touching blinded eyes to make them see
As You made the lame to walk
And You caused the dumb to talk
Flow through me, Holy Spirit, flow through me

Chorus

Verse 2

As You moved in the upper room that day
As Your Spirit fell in such a mighty way
May we never be the same
As we call upon Your name
Flow through me, Holy Spirit, flow through me

Chorus

And as the multitude was fed
Feed me Lord upon Your bread
Flow through me, Holy Spirit, flow through me
