**Writer:** Unknown, Public Domain | **Key:** F | **Time:** 3:37

## ***Chorus***

I'm gonna hold on, till God turns this thing around.  
Gonna press on, till God turns this thing around.  
You know the devil is on my track, trying to hold me back.  
I'm gonna keep on, till God turns this thing around.

## ***Verse 1***

Said I'm gonna pray on, till God turns this thing around.  
I'm gonna run on, till God turns this thing around.  
You know the devil is on my track, trying to hold me back.  
I'm gonna keep on, till God turns this thing around.

## ***Chorus***

I'm gonna hold on, till God turns this thing around.  
Gonna press on, till God turns this thing around.  
You know the devil is on my track, trying to hold me back.  
I'm gonna keep on, till God turns this thing around.

## ***Verse 2***

Do you need to hear from heaven,  
from a God that's tried and true?  
God's got everything you need,  
He cares for me and you.  
Trust and believe Him, never give into doubt.  
Believe in God and you're set free,  
Cause he's gonna work it out!

***Chorus***

I'm gonna hold on, till God turns this thing around.

I'm gonna press on, till God turns this thing around.

You know the devil is on my track, trying to hold me back.

I'm gonna keep on, till God turns this thing around.
