Verse 1

There was quite a happening in a little Jewish town
Choirs of angels singing making joyful sound
Oh how the wise men did rejoice, when the Babe they found
But He won't be in a manger the second time around

Chorus

Cause He'll be coming back as King of Kings in His mighty
power
Catching all the saints away in the midnight hour
He'll step on a big white cloud when the trumpet sounds
To take us home when He comes the second time around

Verse 2

Once upon a hillside as the people gathered round
They were watching as the Son of God wore His earthly crown
The crowd cried crucify Him; His hands and feet were bound
But He won't be hanging on a cross the second time around

Chorus Twice

Bridge

He'll step on a big white cloud when the trumpet sounds
To take us home when He comes the second time around
To take us home when He comes the second time around
