Verse 1

In a stable in Bethlehem
Was born the King of all man
And to the shepherds, Heaven's Host proclaimed
Peace to all men in Jesus' name

Chorus

It's the greatest story ever told
It can't be bought and it can't be sold
It brings to light the darkest sin
And sets us free to live again

Verse 2

Standing by the water of Jordan's stream
Brother John said, "Behold the Lamb!"
And from a cloud God's voice did speak
Said this is My Son in whom I'm pleased

Verse 3

Then on the cross of Calvary
My Jesus gave His life for me
He bled and died that I might live
Oh the love that He still has to give

Verse 4

Then at the tomb, the third day
That's where Mary found that stone rolled away
Why seek ye the living here among the dead
For He has risen just like He said

Verse 5

Then on the mountain after forty days
Five hundred watched as he flew away
Two men stood by in white array
Said this same Jesus, He's comin' back someday

Chorus
